**BIOGRAPHY OR HISTORY**

Bill Kelly started the committee/task force and helped funded a needs assessment for the senior LGBT community. This collection includes the founding documents for the senior living project including meeting agendas and research into creating the building. The "Senior Stories" were life stories from LGBT seniors about their needs and was the precursor project to the needs assessment. The Senior Housing Steering Committee changed their name to the Trailblazers later on. The Center eventually funded the housing project and it was opened in 2018 and was developed by Community HousingWorks.
